MONTSHIRE MUSEUM OF SCIENCE

Montshire Museum of Science - Group Visit
Chaperone Information Sheet Spring/Summer 2021

Chaperone's Name: Wyatt Edison

Thank you for being a chaperone for your group's visit to the Montshire! There's a lot to explore at the Museum — the wonder of bubbles, the power of wind, the beauty of nature, and the possibilities that each experience brings. Enjoy the exhibits and activities that spark your interests. Most importantly, encourage questions and share your discoveries with each other.

Please review the following expectations of our group visitors:

- Children are required to have adult supervision at all times. Please **stay with your subgroup** of children and explore the museum grounds together.
- Subgroups should begin their visit in different exhibit areas (see schedule below).
- **Face masks are required indoors.** Masks are highly recommended outdoors and required by the State of Vermont when it is not possible to keep a 6-foot distance from others who are not part of your group.
- Maintain **6-foot social distance**. Limit one group per exhibit. Help children to remember Museum guidelines, respect space, and encourage taking turns.

Visit Schedule

Date of Visit: July 12

Arrival Time: 10:00

Lunch Time: 11:50 (find picnic table)

Departure Time: 2:00 (board bus at 1:50)
