Activity: Make it Float Scavenger Hunt

Make your own at-home-air-exhibit using a hair dryer! (Set the hair dryer to COLD to prevent overheating. If needed, tape the button down.)

Go on a scavenger hunt in your home to find a variety of things to test:

- Toilet Paper
- Scarves
- Leaves
- Balloons
- Tissue Paper
- String

Which stayed up the longest?

Set a timer. How long were you able to keep it floating in the air?

Why do you think it was able to stay up so long?

What material was the funniest to try in your at-home-air-exhibit?

How many objects could you keep floating in the air at once?
