

What to Bring to Montshire Camp

Preschool camps

- Wear clothes for exploring. Old clothes and sneakers are best. Please, no flip-flops, crocs, or other shoes that do not stay securely on your child's feet.
- Wear a mask: Make sure your child has had practice with taking the mask on and off by themselves.
- Rain Gear (as the weather dictates). This includes raincoat and rain hat. No umbrellas. Activities are held outside on rainy days. In the case of thunderstorms or other severe weather we will return to the Museum building.
- Water shoes (sport sandals, old sneakers) for exploring water for one day of camp. As we get closer to the start of summer we will let you know which day this is needed.
- There is no need to pack a water bottle or a snack, as Montshire provides this for the campers.
