## WIZARD ON THE LOOSE

Wizard Whitebeard is on the loose, perhaps he's gone to class with the onions, turnips, and sweet potatoes. He'll definitely get an education there. Record where you find him for one extra raffle entry. You can get one more entry by finding one of the Waldos we've hidden in Secret Spots around town. If you find one, write the name of the place on the second line.

Where is Wizard Whitebeard?
