A VISUAL CHECKLIST

Preparing for My Visit to the Montshire Museum of Science

WWW.MONTSHIRE.ORG
Instructions

1. A few days before your visit, print out the checklist and the picture cards on the next pages to plan your trip to the Montshire Museum of Science.

2. To help you decide where you want to go, read information about the different exhibitions on the Montshire’s website.

3. When you’ve decided which areas you want to visit, cut out the cards you’re interested in and attach them to your checklist. There are also other cards to say when you need to take a break, use the restroom, or anything else that will make your visit comfortable.

4. Be sure to leave some boxes on your checklist empty so you can add to your list while you are at the Museum.

5. Bring your checklist with you to the Museum.
